Consulting Management Solutions

Founded by Ulf Schneider in 2003, SCHNEIDER GROUP is an international consulting company providing services and expertise to support companies as they enter markets and grow their business in Eastern Europe, Central Asia and the Caucasus. With offices in 15 countries, the company has excellent opportunities to work with clients operating in different sectors and industries, and can leverage its extensive experience to provide a full range of business services across the region.

Our Minsk office, established in 2009, has a dedicated team of local experts with specialised knowledge of the Belarussian market. We offer customised tax, legal compliance, accounting, and HR management solutions to help foreign investors understand the peculiarities of doing business in Belarus and ensure their prosperity in the region.

Belarus, with its strategic location and developed infrastructure, as well as its membership in the Eurasian Economic Union (the EAEU), offers promising prospects for businesses seeking to enter the Eurasian market. With the changing regulatory environment, our office remains committed to navigating these dynamics with ease, providing clients with optimal market entry strategies and contributing to their continued success.
