

Business Networking Event TAKING PART IN REBUILDING UKRAINE PROJECTS

10.06.2024, 16:00 – 18:00
Palais Populaire, Atelier
Unter den Linden 5, Berlin

Part of the official sideprogram of the
Rebuild Ukraine Conference 2024

Agenda

- **Business setup for investors**
- **Current tenders overview**
- **Security Risk Management**
- **Business Investment Guarantees**
- **Q&A + Networking**

Ukraine's reconstruction program already brings together strong commitment and business activities from numerous government funding institutions and private companies from around the world.

During the event, SCHNEIDER GROUP will present specific approaches and requirements for a secure business development in order to participate in local tender processes successfully and in a legally compliant manner. Using current examples of success, participants will gain valuable insights into the market, which will retain great international attention for decades to come and further develop economic growth opportunities for companies from all sectors.
