Consulting Management Solutions

Founded by Ulf Schneider in 2003, SCHNEIDER GROUP is an international consulting company providing services and expertise to support companies as they enter markets and grow their business in Eastern Europe, Central Asia and the Caucasus. With offices in 15 countries, the company has excellent opportunities to work with clients operating in different sectors and industries, and can leverage its extensive experience to provide a full range of business services across the region.

Open up new horizons for your business in the heart of Central Asia – Kyrgyzstan! With its strategic location, favorable investment climate and rich natural resources, Kyrgyzstan offers unique opportunities to grow your business.

There are many opportunities for entrepreneurs in Kyrgyzstan. The country has a low cost of living and is known for its quality of life. The government offers support and assistance to businesses, including financial assistance, marketing help, infrastructure development, and more.

Our services can be tailored to suit businesses of any size and type. Our experts ensure the smooth delivery of services by an individual approach.
